Articles published in the YILDIZ SOCIAL SCIENCE REVIEW have the international license of (CC-BY-NC) "Creative Commons Attribution-NonCommercial 4.0". Accordingly, the authors who publish their articles in the journal are deemed to have accepted the following conditions:

• The author(s) retain the copyright of the article and give the journal the first publication right. The article is licensed under the Creative Commons Attribution license, which allows it to be shared by others, provided that the author(s) are specified and published first in this journal.

• The author(s) can make a separate agreement for the distribution of the published version in the journal of the article (such as sending to an institutional database or publication in a book) without giving full authorization.

• The author(s) can share the published version of the article on the corporate database or on their own websites. This can lead to efficient exchanges, earlier dissemination of the article and more citations. The final form of the manuscript has been seen and approved by all authors
